## **Klondike Gold Engages Fundamental Research Corp. for Analyst Coverage**

**Klondike Gold Corp. (TSX.V: KG; FRA: LBDP; OTC: KDKGF) (“Klondike Gold” or the “Company”)** is pleased to announce that the Company has engaged Fundamental Research Corp. (“FRC”), an independent small-cap research firm, for analyst coverage.

FRC is one of the largest independent research companies in the world with a 22-year track record of covering more than 750 small-cap to large-cap companies. FRC is a premier research firm that has ranked in the Top Ten in independent third-party evaluations for its research. FRC’s reports are available to some of the largest institutional investors in the world through such portals as Reuters, Capital IQ, Bloomberg, and by subscription. For more information about FRC visit [www.researchfrc.com](http://www.researchfrc.com).

Under the terms of the Agreement with FRC, they will provide, among other things, a full financial analysis including an Independent Analyst Rating and an analysis of the Company’s business operations and industry overview and forecast. FRC will provide one initiating report and update reports over an 18-month period, along with unlimited interim notes at FRC’s discretion. In connection with the engagement of FRC, the Company has paid a fee to FRC of CAD\$35,000.

### **ABOUT KLONDIKE GOLD CORP.**

Klondike Gold is a Vancouver based gold exploration company advancing its 100%-owned Klondike District Gold Project located at Dawson City, Yukon, one of the top mining jurisdictions in the world. The Klondike District Gold Project targets gold associated with district scale orogenic faults along the 55-kilometer length of the famous Klondike Goldfields placer district. Multi-kilometer gold mineralization has been identified at both the Lone Star Zone and Stander Zone, among other targets. The Company has identified a Mineral Resource Estimate of 469,000 Indicated and 112,000 Inferred gold ounces<sup>[1]</sup>, a milestone first for the Klondike District. The Company is focused on exploration and development of its 727 square kilometer property accessible by scheduled airline and government-maintained roads located on the outskirts of Dawson City, Yukon, within the Tr’ondëk Hwëch’in First Nation traditional territory.

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*

*Certain statements contained in this news release constitute “forward-looking statements”. When used in this document, the words “anticipated”, “expect”, “estimated”, “forecast”, “planned”, and similar expressions are intended to identify forward-looking statements or information. These statements are based on current expectations of management, however, they are subject to known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from the forward-looking statements in this news release. Readers are cautioned not to place undue reliance on these statements. Klondike Gold does not undertake any obligation to revise or update any forward-looking statements as a result of new information, future events or otherwise after the date hereof, except as required by securities laws.*

*Forward-looking statements involve numerous risks and uncertainties and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things, market volatility; the state of the financial markets for the Company’s securities; fluctuations in commodity prices and changes in the Company’s business plans. In making the forward looking statements in this news release, the Company has applied several material assumptions that the Company believes are reasonable, including without limitation, that the Company will continue with its stated business objectives and its ability to raise additional capital to proceed. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial out-look that are incorporated by reference herein, except in accordance with applicable securities laws. The Company seeks safe harbor.*

*For more information on the Company, investors should review the Company’s continuous disclosure filings that are available at [www.sedarplus.ca](http://www.sedarplus.ca).*
